PROFESSIONAL EXPERIENCE

Certified Nursing Assistant | Med-Surg Unit, Brookhaven Regional Hospital, Greensboro, NC
May 2022 - Present

- Carry assignment of 8 to 10 patients per shift on a 32-bed unit, supporting 3 RNs with ADLs, vitals every 4 hours, and I/O tracking.
- Flagged early sepsis indicators on a post-op patient (BP drop, temp 102.4F), escalating to charge nurse within 6 minutes and prompting rapid response activation.
- Reduced unit fall events by retraining peers on hourly rounding script and bed alarm checks; floor logged 11 fewer falls year over year.
- Trained 6 new CNAs on Hoyer lift use, peri-care, and EPIC documentation during 90-day onboarding cycles.
- Volunteered for COVID isolation rotations and stepped in as float CNA across telemetry and ortho when staffing dropped.

Certified Nursing Assistant | Maplecrest Skilled Nursing & Rehab, Burlington, NC
February 2020 - February 2022

- Provided total care for 12 long-term residents including bathing, transfers, feeding assistance, and bowel/bladder programs.
- Maintained skin integrity logs that contributed to a stretch of 90 days with zero stage 2 pressure injuries on the wing.
- Built rapport with families during weekly care conferences and translated clinical updates into plain language.
- Picked up double shifts during a Norovirus outbreak and helped enforce cohort isolation protocols.
