## Medical Surgical Nurse

Raleigh, NC 12345 | (919) 555-0142 | priya.ramanathan@email.com

Med-surg RN with 6 years on busy 36-bed units caring for post-op, telemetry, and complex chronic patients. Certified Medical-Surgical Registered Nurse (CMSRN) with a track record of reducing fall rates and shepherding new grads through preceptorship. Comfortable with rapid response, IV insertion, and family teaching at discharge.

### Professional Experience

MEDICAL-SURGICAL NURSE, ADULT SURGICAL UNIT | CARDINAL RIDGE REGIONAL HOSPITAL, RALEIGH, NC | 2021 – PRESENT

- Carry a 5 to 6 patient assignment on a 36-bed post-surgical floor caring for colorectal, vascular, and bariatric recoveries.
- Co-led a fall-prevention huddle that cut unit fall-with-injury rate by 41% over four quarters by adding hourly safety rounds and bed-alarm audits.
- Precept 2-3 new grads per year through the 12-week residency, with all current preceptees passing competency on first attempt.
- Serve on the unit-based shared governance council and write the monthly skin integrity newsletter for 48 RNs and PCTs.
- Recognized as DAISY Nurse nominee twice for end-of-life family support and pain management advocacy.

REGISTERED NURSE, MEDICAL-SURGICAL/TELEMETRY | BRIGHTLINE MEMORIAL HOSPITAL, DURHAM, NC | 2018 – 2021

- Cared for telemetry patients with CHF, COPD, sepsis, and post-PCI recovery on a 28-bed step-down adjacent unit.
- Average 18 IV starts per week including difficult-access patients, after completing ultrasound-guided PIV course.
- Identified subtle early sepsis in a post-op patient, escalated to rapid response, and patient avoided ICU transfer.
- Trained as charge relief by year two, regularly running 7 PM to 7 AM shifts during charge nurse PTO.

### Education

Bachelor of Science in Nursing (BSN), University of North Carolina at Chapel Hill, 2018

CMSRN, Medical-Surgical Nursing Certification Board, 2022

RN License, North Carolina #RN-218446 (compact)
