Experience

Occupational Therapist (PRN), Magnolia Ridge Skilled Nursing | Franklin, TN | 2024-Present

- Cover weekend caseloads of 8-12 short-term rehab residents, treating post-surgical hip and shoulder cases.
- Document daily notes and progress reports in PointClickCare within same-day deadlines.
- Worked with the DOR to pilot a morning ADL group that now serves 6 residents three times a week.
- Complete dementia-care training and apply Allen Cognitive Level cues in self-care sessions.

OT Student, Level II Fieldwork, Harborlight Medical Center | Memphis, TN | 2023-2024

- Completed 12-week acute care rotation and 12-week outpatient hand therapy rotation under licensed CIs.
- Carried 70% of a full caseload by week 8 of each rotation, with positive end-of-rotation evaluations.
- Fabricated 14 custom thermoplastic splints, including resting hand and thumb spica designs.
- Co-led a stroke survivor support group of 9 patients alongside speech-language pathology.
