- Responsive Classroom morning meeting
- Small-group and center-based instruction
- Running records and DIBELS
- Google Classroom and Seesaw
- Lesson planning with Idaho Core Standards
- Positive behavior supports
- Family communication via Remind

Experience

STUDENT TEACHER, FIRST GRADE | MOSSBROOK ELEMENTARY | MERIDIAN, ID

JANUARY 2024 - MAY 2024

- Took over full instructional load for 22 students during a 10-week residency, including planning all literacy, math, and science blocks.
- Built a phonics small-group rotation using UFLI Foundations; 18 of 22 students moved up at least one decoding stage on the running record.
- Created visual schedules and choice boards that cut transition time noticeably for two students with sensory needs.
- Met weekly with the mentor teacher and university supervisor; received an exceeds standards rating on final evaluation.

PRACTICUM STUDENT, KINDERGARTEN | SUNRIDGE CHARTER ACADEMY | NAMPA, ID

AUGUST 2023 - DECEMBER 2023

- Co-taught morning meeting, shared reading, and math centers four days a week.
- Designed a tactile letter-sound center used by all three kindergarten classrooms.
- Tracked sight word data for 19 students on a weekly chart shared with parents.

Education

- B.S., Elementary Education with Literacy Minor
Boise State University, 2024
- Idaho Standard Instructional Certificate
K-8 (issued 2024)
- Praxis Elementary Education:
Multiple Subjects, passed all four subtests
