

MARCUS DEWITT

LCSW-S

Clinical director with 16 years across community mental health, hospital social work, and program leadership. Built and scaled three integrated behavioral health programs serving 4,000+ patients annually. Approved clinical supervisor for LMSW licensure in Florida.

PROFESSIONAL EXPERIENCE

Director of Behavioral Health | February 2020 - Present

Gulfstream Health Network, Tampa, FL

- Lead department of 34 clinicians and 6 care coordinators across 5 clinic sites; oversee \$4.2M annual program budget.
- Launched same-day behavioral health access program that cut average wait time from 23 days to 4 days within the first year.
- Negotiated value-based contract with regional Medicaid MCO covering 11,200 attributed members.
- Chair quality committee that reduced 30-day psychiatric readmissions by roughly one-fifth over two reporting cycles.
- Mentor 4 mid-career clinicians toward LCSW-S supervisor designation.

Clinical Program Manager | August 2016 - January 2020

Harborlight Behavioral Services, St. Petersburg, FL

- Managed adult outpatient program with 12 therapists and a combined caseload of about 780 active clients.
- Rewrote crisis stabilization workflow, reducing average length of stay in the CSU from 5.2 to 3.6 days.
- Wrote and won two SAMHSA grants totaling \$1.6M for SUD and co-occurring disorders work.
- Built supervision curriculum used by 9 LMSWs to complete licensure hours on time.

Senior Clinical Social Worker | June 2012 - July 2016

Sunridge Memorial Hospital, Sarasota, FL

- Provided complex discharge planning across ICU, oncology, and trauma units; carried 30 to 40 active patients weekly.
- Led hospital response to two mass-casualty events, coordinating family reunification and bereavement support.
- Co-designed palliative care consult workflow now used hospital-wide.
- Precepted 11 MSW interns over four academic years.

CERTIFICATIONS
