Charlotte, NC

KEY SKILLS

- Medication administration (PO, IM, SubQ, IV push)
- Wound care and wound vac management
- PICC line care and dressing changes
- Foley and ostomy care
- EHR: PointClickCare, Epic, MatrixCare
- Fall risk and pressure injury prevention

PROFESSIONAL EXPERIENCE

February 2021 - Present

Charge LPN, Skilled Nursing Unit, Brookhaven Care & Rehabilitation | Charlotte, NC

- Lead a 32-bed sub-acute unit on evening shift, coordinating 4 CNAs and reporting status to the on-call RN every 4 hours.
- Cut medication pass errors on the unit from 11 per month to 2 per month by introducing a pre-pour double-check and a quiet zone at the med cart.
- Manage wound vac, PICC line dressing changes, and tube feedings for post-surgical residents with daily follow-up notes.
- Trained 9 new LPNs and CNAs on EHR charting in PointClickCare, fall protocols, and family communication scripts.
- Coordinate hospice transitions with case managers and family, including end-of-life comfort care and documentation.

June 2019 - January 2021

LPN, Med-Surg Float Pool, Piedmont Valley Medical Center | Gastonia, NC

- Floated across med-surg, ortho, and telemetry units, taking assignments of 6 to 8 patients per shift.
- Performed admission assessments, IV starts, blood draws, and discharge teaching for joint replacement patients.
- Caught an early sepsis presentation in a post-op patient and escalated to the rapid response team within minutes.
- Charted in Epic and helped pilot a barcode med-administration workflow on the ortho floor.

EDUCATION

Practical Nursing Diploma

Central Piedmont Community College | May 2019

- NCLEX-PN, passed first attempt, 2019
- Certifications: BLS (AHA), IV Therapy Certified, Wound Care (WCC) in progress
