

SE

Scott Evans

Mechanic

Recent automotive program graduate working toward ASE certification while gaining hands-on shop hours. Comfortable with brake jobs, fluid services, tire work, and basic electrical checks under supervision. Reliable, on time, and steady about cleaning the bay and putting tools back where they belong.

Manchester, NH 12345

KEY SKILLS

- Brake pad, rotor, and caliper service
- Tire mount, balance, and rotation
- Fluid services and battery testing
- Multi-point inspections
- Basic OBD-II scan tool use
- Torque-to-spec discipline
- Lift safety and shop cleanliness
- Mitchell1 lookups

Professional Experience

APPRENTICE TECHNICIAN I NORTHGATE TIRE & AUTO, MANCHESTER, NH
2023 - PRESENT

- Perform oil and filter changes, tire rotations, and multi-point inspections on 20-25 vehicles per week
- Assist senior techs with brake pad and rotor replacements, wheel bearings, and battery diagnosis
- Passed shop's internal torque and lift safety check on first attempt
- Keep service bay and tool cart organized so the next job starts without delay

LUBE TECH (PART-TIME) I QUICK LANE EXPRESS, BEDFORD, NH
2022 - 2023

- Completed full-service oil changes within 18-minute target while school in session
- Topped off fluids, checked tire pressures, and flagged worn wiper blades and air filters for upsell
- Cross-trained on tire mounting and balancing during slower weekday shifts

Education

- Certificate, Automotive Service Technology, Manchester Community College, 2023
- ASE Student Certification (Brakes, Maintenance and Light Repair)
- Valid NH inspection license (in progress)
