

TYLER BRENNAN

Second-year electrical apprentice enrolled in a state-registered 4-year program, 3,400 OJT hours logged. Comfortable on residential and small commercial sites, eager to keep moving toward journeyman.

PROFESSIONAL EXPERIENCE

ELECTRICAL APPRENTICE (YEAR 2) | SAGEBRUSH ELECTRIC LLC, BOISE, ID
FEBRUARY 2023 – PRESENT

- Rough-in wiring on new single-family homes averaging 2,400 sq ft, typically 1 to 2 houses per week with my journeyman
- Bend and install EMT up to 1 inch, pull THHN, and land devices on 15A and 20A branch circuits
- Logged 1,800 OJT hours in 2024 with zero recordable safety incidents on my crew
- Help with service changes from 100A to 200A panels, including meter base and grounding

GENERAL LABORER | FOOTHILLS CONSTRUCTION, NAMPA, ID
JUNE 2022 – FEBRUARY 2023

- Site cleanup, material handling, and demo on residential framing crews
- Operated skid steer and scissor lift after on-site training
- Got pulled to help the electrical sub on rough-ins, which led to my apprenticeship offer

EDUCATION

High School Diploma | Centennial High School
May 2021

- Idaho Registered Electrical Apprenticeship, Year 2 of 4, ABC Idaho Chapter, expected completion 2027
