PROFESSIONAL EXPERIENCE

Dental Hygienist (PRN) | Saguaro Smiles Dentistry, Tempe, AZ
February 2024 - Present

- Fill in on Fridays and Saturdays, averaging 8 adult prophylaxis and child cleaning appointments per shift.
- Take FMX and bitewing series using Dexis sensors; cleared competency with no retakes flagged in first 60 days.
- Apply fluoride varnish and sealants on pediatric recall patients, including a school outreach event that served 142 kids in one day.
- Document in Open Dental and review the day's charts with the doctor before patient arrival.

Dental Hygiene Student Clinician | Phoenix College Dental Clinic, Phoenix, AZ
February 2022 - February 2024

- Completed 600+ supervised clinical hours including SRP, perio maintenance, and sealant placement.
- Treated patients on a sliding-fee schedule, many Spanish-speaking; conducted intake and OHI in Spanish.
- Passed CDCA-WREB clinical exam and Arizona local anesthesia exam on first attempt.
