- Joint and trigger-point injections
- Patient education and counseling
- Motivational interviewing
- Spanish (basic medical)

## PROFESSIONAL EXPERIENCE

PA STUDENT CLINICAL ROTATIONS | SAGUARO VALLEY HEALTH SYSTEM,  
TEMPE, AZ

2023 – 2024

- Completed nine rotations totaling 2,240 supervised hours across family medicine, IM, EM, OB/GYN, pediatrics, psychiatry, general surgery, orthopedics, and an elective in dermatology.
- Carried a panel of 8-12 patients per day during family medicine rotation, presenting each to the attending and drafting the visit note.
- Performed 40+ minor procedures including punch biopsies, simple lacerations, and joint injections under supervision.
- Earned Honors evaluations on internal medicine and surgery rotations for chart preparation and case presentations.

MEDICAL SCRIBE | COPPER CANYON FAMILY PRACTICE, MESA, AZ

2020 – 2022

- Scribed for three family medicine physicians, documenting 22-28 visits per day in Athenahealth.
- Built standard templates for chronic disease visits that cut average documentation time per chart by about a third.
- Cross-trained as a front-desk float, handling insurance verification and prior authorization follow-up.
