devon.park@example.com

Richmond, VA 12345

KEY SKILLS

- Adobe Illustrator, Photoshop, InDesign
- Figma
- Editorial and layout design
- Logo and identity basics
- Social media graphics
- Print pre-press fundamentals
- Working from brand guidelines

ABOUT ME

Recent BFA grad with internship experience in editorial layout and social media design. Comfortable in Figma and the Adobe suite, and used to working from brand guidelines on tight turnarounds. Looking for a junior role on an in-house brand or marketing team.

PROFESSIONAL EXPERIENCE

Design Intern

Blackbird Press, Richmond, VA | 2023 to 2024 | 2023 - 2024

- Laid out roughly 60 pages per issue of a quarterly arts magazine, working from the editor's wire-frames and the existing grid.
- Designed 8-12 supporting social posts per issue across Instagram and Threads, matching cover typography.
- Prepped final files for the printer and caught a bleed error on the spring issue before it went to press.
- Sat in on weekly editorial meetings and pitched two cover concepts that ended up in the running.

Freelance Designer

Self-employed, Richmond, VA | 2022 to Present | 2022 - Present

- Built logos, menus, and event flyers for five local clients including a coffee roaster and a community theater.
- Delivered a full visual identity (logo, business cards, signage) for a mobile bike repair business in under three weeks.
- Handle scoping, invoicing, and revisions directly with clients.

EDUCATION

BFA, Communication Design, Virginia Commonwealth University, 2024

Coursework: Typography I-III, Branding Studio, Editorial Design
