

Scott Evans

Licensed Vocational Nurse Lvn

(559) 412-8830 • Fresno, CA 12345 • marisol.quintero@example.com

Licensed Vocational Nurse with 6 years of experience across skilled nursing, med-surg, and outpatient clinic settings. Known for accurate medication administration, calm patient education, and tight coordination with RNs and physicians. Bilingual (English/Spanish) with IV-certification and wound-care training.

PROFESSIONAL EXPERIENCE

Licensed Vocational Nurse, Willow Creek Skilled Nursing & Rehab, Fresno, CA 2021 – Present

- Carry a daily assignment of 22 long-term care and post-acute residents on a 12-hour shift, passing roughly 180 medications per shift with zero reportable errors over the last 14 months.
- Lead admission assessments for new post-acute residents, completing intake, med reconciliation, and family education within the 4-hour state window.
- Serve as wound-care lead for the unit, dressing changes for Stage 2-4 pressure injuries and tracking healing in PointClickCare.
- Train new LVNs and CNAs on safe transfers, fall-risk protocols, and charting standards; mentored 7 new hires through 90-day onboarding.
- Recognized as Employee of the Quarter (Q2 2023) for handling a code blue and stabilizing the resident until EMS arrival.

LVN, Family Medicine Clinic, Sierra Vista Medical Group, Clovis, CA 2019 – 2021

- Roomed 30-40 patients daily, took vitals, updated medication lists, and prepped charts for 3 family practice physicians.
- Administered immunizations, TB tests, and B12 injections; ran in-clinic point-of-care testing including A1C, strep, and urinalysis.
- Coordinated specialty referrals and prior authorizations, cutting average turnaround from 6 days to under 48 hours.
- Provided diabetes and hypertension teaching in Spanish to roughly 40% of the patient panel.

EDUCATION

- Vocational Nursing Certificate, Fresno City College, 2019
- California LVN License #VN-302418 (Active, expires 2026)
- IV Therapy and Blood Withdrawal Certification, BVNPT-approved, 2020
- BLS for Healthcare Providers, American Heart Association
