High School Diploma
Plant City High School
June 2018

KEY SKILLS

- Dementia and Alzheimer's care
- Hoyer lift and gait belt transfers
- ADL support: bathing, toileting, grooming
- Vital signs and blood glucose checks
- Medication reminders
- HHAeXchange and AxisCare documentation
- Bilingual: English and Spanish

PROFESSIONAL EXPERIENCE

Certified Home Health Aide | Coastal Bend Home Care, Tampa, FL
August 2021 - Present

- Carry a steady caseload of 7 clients per week, including 3 with advanced dementia and 2 recovering from hip replacement
- Reduced fall incidents in assigned caseload to zero over 14 consecutive months by rearranging walkways and coaching family on bed alarm use
- Document vitals, intake, and ADL completion in HHAeXchange after every shift; flagged 4 UTIs early through changes in confusion patterns
- Train new aides during their first two ride-along shifts, covering transfer safety and HIPAA basics
- Cover on-call weekend visits roughly twice a month when staffing is short

Home Health Aide | Sunwood Senior Services, St. Petersburg, FL
June 2019 - July 2021

- Provided personal care, meal prep, and light housekeeping for 5-6 clients per week across Pinellas County
- Assisted RN with wound dressing changes and accompanied clients to dialysis and oncology appointments
- Built rapport with one nonverbal stroke client using picture cards, which the family later adopted as the standard communication tool
- Maintained a perfect attendance record across both years

CERTIFICATIONS

- CPR and First Aid, American Red Cross | April 2025
- HIPAA Privacy Training | May 2023
- Home Health Aide Certificate, Hillsborough Community College | November 2019
