- OneStream, NetSuite, Workday Financials, BlackLine
- Multi-entity consolidations, FX revaluation, intercompany
- ASC 606, ASC 805, ASC 842, ASC 350
- ERP implementations and carve-out accounting
- Team leadership (up to 9 direct and indirect reports)
- PE sponsor reporting, lender covenant packages

PROFESSIONAL EXPERIENCE

ACCOUNTING MANAGER | BAYWARD MEDICAL DEVICES, TAMPA, FL
SEPTEMBER 2020 – PRESENT

- Manage a team of seven (two seniors, four staff, one AP lead) across US and Costa Rica entities, owning monthly consolidation in OneStream
- Cut consolidated close from 12 to 7 business days by re-sequencing intercompany eliminations and standardizing the FX revaluation workflow
- Led NetSuite to Workday Financials migration for the parent entity, completed on schedule with a \$186K under-budget variance
- Drafted technical memos for a 2023 carve-out divestiture, including purchase price allocation support reviewed by Big Four advisors
- Reduced audit adjustments from 11 in FY21 to 2 in FY23 by tightening the reconciliation review program

ASSISTANT CONTROLLER | HIGHMOOR PET BRANDS, ATLANTA, GA
APRIL 2017 – AUGUST 2020

- Owned the monthly close and management reporting package for a \$94M revenue CPG business
- Built the inventory costing model after acquisition of a co-packer, surfacing a 4.2 point margin gap that drove a pricing reset
- Hired and trained three staff accountants; designed onboarding playbook still used after departure
- Served as primary liaison to the PE sponsor's quarterly reporting team
- Implemented BlackLine across 140+ reconciliations, eliminating spreadsheet sign-off binders

SENIOR ACCOUNTANT | HIGHMOOR PET BRANDS, ATLANTA, GA
JUNE 2015 – MARCH 2017

- Closed the books for two operating subsidiaries and the holding company
- Drafted ASC 606 adoption memo and reseller channel allocations
- Managed external audit PBC list end to end
- Promoted to Assistant Controller after two close cycles
