

# TOMÁS BEAULIEU

MSN, RN, CCRN

Charge nurse with 12 years of critical care experience and 4 years running shift operations in a 24-bed surgical ICU. Owns staffing, assignments, throughput, and code response. Track record of mentoring chargers, tightening protocols, and holding ratios safe through staffing shortages.

## PROFESSIONAL EXPERIENCE

### Charge Nurse, Surgical ICU | February 2021 - Present

Foothills General Hospital, Greenville, SC

- Run shift operations for a 24-bed SICU, coordinating 14 to 18 RNs, 3 techs, and a respiratory therapist per shift.
- Hold 1:2 ratios on vented patients through 3 consecutive flu seasons without using mandatory overtime.
- Cut average ICU length of stay by 0.8 days after reworking the daily multidisciplinary round template.
- Trained 9 nurses into charge roles using a competency checklist now adopted across both ICUs.
- Co-chair the Code Blue review committee and present quarterly debriefs to the medical staff.

### Registered Nurse, Surgical ICU | September 2017 - January 2021

Foothills General Hospital, Greenville, SC

- Cared for post-CABG, trauma, and transplant patients with CRRT, balloon pumps, and Impella support.
- Resource nurse for new hires during a 14-bed unit expansion.
- Owned the ventilator weaning protocol rollout with the pulmonologist group.
- Recognized as Daisy honoree in 2020 for end-of-life family care.

### Registered Nurse, Cardiothoracic ICU | June 2014 - August 2017

Harbor Crest Heart Institute, Charleston, SC

- Took fresh open-heart admissions and managed first 24 hours including chest tube and pacing wire care.
- Joined the ECMO team after specialty training, taking call rotation.
- Precepted 6 ICU residency nurses through their 16-week orientation.
- Contributed to the unit's Beacon Award gold-level application.

### Registered Nurse, Progressive Care | June 2012 - May 2014

Harbor Crest Heart Institute, Charleston, SC

- Carried 4 patient assignments on a 32-bed cardiac step-down floor.
- Trained on telemetry monitoring and dysrhythmia identification.
- Served on the unit-based council and helped revise the discharge teaching binder.
