

PRIYA ACHARI

(608) 555-0144 • Madison, WI, OH • priya.achari@example.com • linkedin.com/in/priyaachari

Recent business graduate with two internships in operations and a part-time analyst role through senior year. Comfortable in Excel and SQL, and used to asking the second question when a number looks off.

Professional Experience

Business Operations Intern | Kestrel Outdoor Co., Madison, WI | February 2024 – Present

- Cleaned and merged three years of warranty claim data, surfacing one tent model that drove 22% of returns.
- Sat in on weekly S&OP meetings and wrote the recap notes the planning team forwarded each Friday.
- Built a small Power BI dashboard tracking on-time-in-full for the top 15 wholesale accounts.
- Helped run a vendor scorecard refresh covering 38 suppliers.

Student Analyst, Wisconsin School of Business Consulting Club | UW-Madison, Madison, WI | February 2022 – January 2024

- Worked on three semester-long projects for local nonprofits, including a fee study for a community arts center.
- Led the spreadsheet workstream for a logistics pro-bono engagement, building a routing comparison for 11 delivery zones.
- Presented final recommendations to client boards twice.
