- Equipment: reefer, dry van, flatbed, day cab, sleeper
- Mountain and winter driving, chain laws (WA/OR/ID/MT)
- ELD: Samsara, Omnitrac
- Load securement per FMCSA 393, tarping, strapping
- Driver trainer / finisher experience

PROFESSIONAL EXPERIENCE

Lead Regional Driver | Northstar Transport Co., Spokane, WA

2021 - Present

- Run Pacific Northwest dedicated lanes (WA, OR, ID, MT) hauling reefer freight to grocery DCs
- Maintained 99.2% on-time delivery across 312,000 miles in 2023 with zero load rejections
- Chain up and run in winter conditions across Snoqualmie and Lookout Pass without delay or incident
- Train and ride-along with new hires; signed off on 11 drivers cleared for solo dispatch
- Caught a fifth-wheel locking jaw failure during pre-trip that prevented a likely trailer drop

OTR Driver | Cascade Line Haul, Boise, ID

2018 - 2021

- Drove solo OTR averaging 2,650 miles per week across the western 11 states
- Passed every Level 1 and Level 2 inspection with zero violations, earning CSA bonus pay 3 years running
- Hauled flatbed loads (lumber, steel coils) with proper tarping, strapping, and chain securement per FMCSA 393
- Used Samsara ELD for HOS, fuel routing, and IFTA-ready mileage logs

Class A Driver | Big Sky Hauling, Missoula, MT

2016 - 2018

- Ran short-haul regional routes through MT, WY, and ND including oilfield deliveries
- Operated day cab tractor with single and tandem axle trailers across rough rural roads
- Zero preventable accidents and zero log violations over the full two-year tenure

EDUCATION

CDL Class A with Hazmat, Tanker, and Doubles/Triples endorsements, 2016

Defensive Driving Certificate, Smith System, 2022
