EDUCATION

Associate Degree in Nursing (ADN)

Piedmont Community College, expected May 2026, GPA 3.81

Certified Nursing Assistant I (CNA I)

North Carolina, active

BLS for Healthcare Providers (AHA)

valid through 2025

SKILLS

- Vital signs and ADL care
- Head-to-toe assessments
- Dosage calculations
- PointClickCare and simulated EHR charting
- Infection control and PPE
- SBAR handoff
- Patient repositioning and safe transfers
- Glucometer use
- Time management with heavy assignments

ABOUT ME

Second-year ADN student with CNA experience on a 28-bed skilled nursing floor and 180 clinical hours completed in fundamentals and med-surg. Strong in patient communication, infection control, and time management across heavy assignments. Targeting a student nurse extern role for summer 2025.

EXPERIENCE

Nursing Student, Clinical Rotations

Piedmont Community College School of Nursing | Greensboro, NC | Jan 2024-Present

- Completed 180 hours of supervised clinicals at Lakeview Skilled Nursing and Harrow Medical Center across fundamentals, med-surg, and gerontology.
- Performed full head-to-toe assessments on assigned patients twice per shift and documented findings in the simulated EHR.
- Administered oral, topical, and subcutaneous medications under instructor supervision with a 100% accuracy rate on dosage calculation checks.
- Presented an evidence-based poster on fall prevention in older adults at the program's spring research showcase.

Certified Nursing Assistant

Maplebrook Skilled Nursing & Rehab | High Point, NC | May 2023-Present

- Provide ADL care, vitals, and feeding assistance for up to 9 residents per shift on a long-term care and rehab unit.
- Document care in PointClickCare and report skin breakdown, behavior changes, or refusals to the charge nurse each shift.
- Helped roll out a new bedside repositioning schedule that nursing leadership credited with reducing unit pressure injuries over a 6-month period.
- Mentor incoming CNAs during their first two weeks on the floor, including bed mobility and proper PPE technique.

Peer Tutor, Anatomy & Physiology

Piedmont Community College Learning Center | Greensboro, NC | Aug 2023-May 2024

- Tutored 15 pre-nursing students per semester in A&P I and II, focusing on cardiovascular and renal systems.
- Built study guides and quick-recall flashcards that the learning center now shares with new tutees.
- Held weekly review sessions before unit exams; tutees reported feeling more confident going into testing.
