- BLS/CPR certified
- Spanish (conversational)

EXPERIENCE

Physical Therapist (New Graduate), Smoky Ridge Outpatient Therapy | Knoxville, TN | 2024-Present

- Manage caseload of 9-12 patients per day under senior PT mentorship, focused on knee and shoulder post-op.
- Document 100% of visits same-day in WebPT and hit productivity target of 85% within first 90 days.
- Run twice-weekly group balance class for older adults referred from a partner primary care clinic.
- Co-presented a lunch in-service on blood flow restriction training basics to clinic staff.

Doctor of Physical Therapy Intern, Appalachian Regional Rehab Hospital | Johnson City, TN | 2023-2024

- Completed 14-week inpatient rehab rotation with stroke, SCI, and amputee patients.
- Carried independent caseload of 6 patients by end of rotation with CI co-signing notes.
- Built a gait-training cheat sheet for new PT students that the department kept in rotation.
