## SKILLS

- ADL and personal care
- Vital signs (manual and electronic)
- Safe lifting and transfers
- Meal prep and feeding assistance
- Infection control and PPE
- Basic EHR documentation
- BLS / CPR
- Patient and family rapport

## EXPERIENCE

**CNA Clinical Extern** | Magnolia Pines Nursing & Rehab | Smyrna, TN  
January 2024 - April 2024

- Completed 75 supervised clinical hours providing ADL support to 6 to 8 residents per shift on a long-term care wing.
- Recorded vital signs, weights, and meal intake in the facility's EHR with no charting errors flagged during my rotation.
- Assisted RNs with two-person transfers, gait belts, and Hoyer lifts following the facility's safe lift policy.
- Stocked PPE carts and reset isolation rooms after discharges, including terminal cleans on a contact-precaution room.

**In-Home Caregiver** | Self-Employed (private clients) | Murfreesboro, TN | 2023-2024

- Provided companion care and ADL assistance to 3 elderly clients, including one recovering from a hip replacement.
- Prepared low-sodium meals, managed medication reminders, and tracked blood pressure twice daily.
- Drove clients to a combined 40+ medical appointments and reported provider instructions back to family members.
