- Microcurrent and high-frequency
- Acne and rosacea protocols
- Waxing (face and body)
- Skin consultation and Fitzpatrick typing
- Retail and series sales

## PROFESSIONAL EXPERIENCE

LEAD ESTHETICIAN | SAGUARO SKIN STUDIO, TEMPE, AZ  
FEBRUARY 2021 – PRESENT

- Average \$14,200 in monthly service and retail sales, ranking #1 of 7 estheticians for 9 consecutive quarters.
- Built a signature acne protocol (LED, salicylic peels, extractions) that retains roughly 4 in 5 clients through a 6-treatment series.
- Trained 4 new hires on consultation flow, Fitzpatrick assessment, and contraindication screening.
- Manage backbar inventory across two treatment rooms, holding waste under 3% of monthly product spend.
- Co-host quarterly skin-health events with a local dermatologist that bring in 25-40 new client bookings each.

ESTHETICIAN | COPPER CANYON RESORT & SPA, SCOTTSDALE, AZ  
JUNE 2019 – JANUARY 2021

- Designed wood-framed multifamily buildings up to four stories under IBC and SDPWS.
- Performed seismic and wind analysis using RAM Elements and hand calcs for permit review.
- Drafted construction documents in AutoCAD and later transitioned the office to Revit on two pilot projects.
- Conducted field observation visits and wrote punch list reports for three apartment complexes.

JUNIOR ESTHETICIAN | BLOOM BROW & SKIN BAR, MESA, AZ  
AUGUST 2018 – MAY 2019

- Provided brow shaping, waxing, and express facials in a fast-paced walk-in environment.
- Maintained a personal rebook rate near 70% by the end of the first year.
- Sanitized tools and stations between every client in line with AZ Board of Cosmetology standards.
