

# CHARLES WILSON

Operating Room Or Nurse

Tampa, FL 12345 | (813) 591-7062 | devon.ashby@example.com

## PROFILE

OR staff nurse with 5 years circulating and scrubbing in a 14-room hospital OR. Service line strengths in robotics (da Vinci Xi) and cardiothoracic. Active call team member and clinical resource for new periop residents.

## KEY SKILLS

- Robotic surgery (da Vinci Xi docking)
- Cardiothoracic OR call (CABG, AVR)
- Robotic GYN-onc & urology circulating
- AORN guideline interpretation
- Epic OpTime & Cerner SurgiNet
- Laser safety officer duties
- Total joint instrumentation
- First-case-on-time process work
- Periop residency preceptor

## PROFESSIONAL EXPERIENCE

### Operating Room Staff Nurse II

Sunset Bay Regional Health, Tampa, FL | 2021 to Present | 2021 - Present

- Circulator on robotic GYN-onc and urology service, averaging 9 da Vinci cases per week.
- Lead first-case-on-time efforts, raised on-time starts from 71% to 88% over 9 months by tightening the 0630 readiness checklist.
- Selected as super-user for the OR's transition to the Xi platform, trained 28 RNs and STs on docking and troubleshooting.
- Take CABG and valve call one week per month, opened over 40 emergent sternotomies in 2023.
- Sit on Periop Practice Council reviewing AORN guideline updates and integrating them into unit policy.

### Operating Room Staff Nurse I

Gulfside Surgical Hospital, St. Petersburg, FL | 2019 to 2021 | 2019 - 2021

- Completed 9-month perioperative residency, then circulated general, ENT, and ortho cases.
- Scrubbed total joints with a dedicated ortho team and learned instrumentation for hip, knee, and shoulder arthroplasty.
- Cut tissue specimen mislabel rate on the GI service from 4 events per quarter to 1 by adding a two-RN read-back step.
- Volunteered for the laser safety committee, became unit laser safety officer.

## EDUCATION

Bachelor of Science in Nursing, University of South Florida, 2019
