Professional Experience

STAFF NURSE II, MEDICAL-SURGICAL I NORTHSORE LAKES HOSPITAL,
MINNEAPOLIS, MN

FEBRUARY 2020 - PRESENT

- Manage a 5-patient assignment on nights, including post-op general surgery, GI bleeds, and patients with active substance withdrawal
- Cut average discharge time from order entry to bed-empty by roughly 45 minutes after redesigning the discharge checklist with case management
- Serve as relief charge 4-6 shifts per month, making assignments for 7 RNs and 2 PCTs and coordinating admissions with house supervisor
- Trained 11 new hires as a unit-based preceptor over the past 3 years, including travel nurses and new grads
- Sit on the unit practice council; co-authored a revised bedside shift report tool now used hospital-wide

REGISTERED NURSE, MEDICAL ONCOLOGY I BIRCHWOOD CANCER PAVILION,
ST. PAUL, MN

JUNE 2019 - JANUARY 2020

- Cared for inpatient oncology population including chemotherapy administration after completing ONS chemo/bio certification
- Handled central line care, blood product administration, and neutropenic precautions for stem cell transplant patients
- Provided end-of-life teaching and comfort care to families, partnering with palliative team and chaplaincy
