## KEY SKILLS

- TF-CBT and EMDR
- Integrated primary care / warm handoffs
- Adult trauma and IPV treatment
- Court letter and forensic documentation
- PHQ-9, GAD-7, PCL-5 screening
- SimplePractice and Athena EHR
- LMSW supervision
- Hindi clinical interviewing

## PROFESSIONAL EXPERIENCE

**Behavioral Health Consultant** | Mesa Verde Community Health, Albuquerque, NM

February 2022 - Present

- Embedded in two primary care pods, completing 18 to 24 warm-handoff visits weekly for depression, anxiety, and chronic pain coping.
- Built a brief-intervention protocol that moved 138 patients from screening positive on PHQ-9 to engaged in care within 30 days.
- Co-lead monthly case conferences with PCPs and RNs to align on shared patients with complex psychosocial needs.
- Precept one LMSW associate weekly toward independent licensure hours.

**Trauma Therapist** | Sage Hollow Counseling Collective, Santa Fe, NM

June 2020 - January 2022

- Maintained caseload of 28 to 32 weekly clients, primarily adult survivors of intimate partner violence and childhood trauma.
- Trained in TF-CBT and EMDR; completed phase work with 40+ clients over two years.
- Wrote court-ready clinical letters and provided two depositions in family law cases.
- Reduced personal documentation backlog from 9 days to under 48 hours by switching to a structured template in SimplePractice.

## EDUCATION

**MSW**

New Mexico Highlands University | May 2019

**BA, Sociology**

University of New Mexico | May 2017
