- FMCSA compliance: HOS, drug & alcohol consortium, DQ files, BIT inspections
- Rate negotiation and broker relationship management

ABOUT ME

Owner-operator with 14 years of Class A experience and 6 years running my own authority under MC-892447. Operate a 2021 Peterbilt 579 with 53' reefer, contracted on dedicated and spot freight across the eastern half of the US. Run a profitable book of business with strong broker relationships and a perfect FMCSA SMS BASIC score in Unsafe Driving.

PROFESSIONAL EXPERIENCE

Owner-Operator, Sole Proprietor | 2019 - Present

Okafor Hauling LLC, Charlotte, NC

- Hold active MC and DOT authority, \$1M auto liability and \$100K cargo coverage, current UCR and IFTA
- Grossed \$312,000 in 2023 revenue at \$2.47/mile average rate per mile, net margin of 31% after fuel and maintenance
- Built recurring lanes with 4 brokers (TQL, Coyote, Echo, Arrive) plus 2 direct shippers in the Carolinas
- Maintain Peterbilt 579 on a 25,000-mile PM schedule, kept downtime under 6 days across the year
- Negotiate rates against DAT load board data, walk away from sub-\$2.10 loads on outbound lanes

Lease Operator | 2016 - 2019

Piedmont Freight Systems, Greensboro, NC

- Leased a 2017 Freightliner Cascadia and ran company freight at \$1.32/mile plus FSC
- Averaged 11,800 miles per month with 99% on-time delivery on dedicated Walmart DC lanes
- Tracked fuel, tolls, and maintenance in TruckBytes, used data to plan transition to own authority
- Passed all annual DOT inspections with no out-of-service violations across 3 years
- Mentored two newer lease operators on settlement reading and fuel network usage

Company Driver, OTR | 2013 - 2016

Carolina Continental Lines, Rock Hill, SC

- Ran 48-state OTR freight in sleeper cab, averaging 2,750 miles per week
- Earned Million Mile Safe Driver award after 3 years without a preventable accident
- Hauled high-value electronics under TSA C-TPAT protocols including sealed-trailer chain of custody
- Trained 6 new hires on backing, trip planning, and ELD use during finishing phase

Regional Driver | 2010 - 2013

Tarheel Distribution Services, Fayetteville, NC

- Drove regional routes across NC, SC, VA, and GA delivering palletized retail freight
- Made 12-16 stops per shift, operated lift gate and electric pallet jack
- Zero accidents and zero late deliveries during final 18 months on the route
- Cross-trained on yard hostler and dock operations during driver shortages
