

Mark Robinson

Interior Design

Portland, OR 12345 | (503) 555-0167 | aisha.coleman@example.com

Profile

Senior interior designer with nine years across hospitality, multifamily, and high-end residential projects. NCIDQ certified, LEED AP ID+C. Comfortable owning a project from pitch through punch list and managing teams of 3 to 5.

Professional Experience

Senior Interior Designer | Cedar & Stone Design Group, Portland, OR **2020 – Present**

- Run design on boutique hotel and multifamily projects ranging from 40 to 220 keys/units, typical construction value \$3M to \$11M
- Led the interiors package for a 96-room boutique hotel renovation completed two weeks ahead of schedule and 4% under FF&E budget
- Manage a team of four designers and one intern, including review of all CDs before issue
- Lead client pitches and won 5 of the last 7 RFPs the studio submitted
- Coordinate with architects, MEP, and lighting consultants across weekly OAC meetings

Interior Designer | Wren Hospitality Design, Seattle, WA **2017 – 2020**

- Designed F&B and guestroom interiors for nine restaurant and hotel projects across the Pacific Northwest
- Built and maintained Revit families for casegoods and lighting used across the studio
- Wrote FF&E specifications and managed bid leveling with procurement
- Mentored two junior designers on construction documentation

Interior Designer | Marbury Residential, Boise, ID **2015 – 2017**

- Designed 18 single-family interiors with construction values averaging \$620K
- Sourced and procured FF&E packages from concept through install
- Coordinated with builders during construction and managed punch walks
