

Dorothy Martinez

Dentist

(919) 555-0142 • Raleigh, NC 12345 • priya.ramachandran@example.com

General dentist with 8 years of experience in private practice and DSO settings. Comfortable across operative, endo, prosth, and pediatric care, with growing focus on clear aligner cases and same-day CEREC restorations. Known for steady chairside manner and patients who stick around.

Professional Experience

Lead General Dentist, Brightleaf Family Dental, Raleigh, NC
2020 – Present

- Manage a 6-op practice averaging 42 patients per day across two providers and three hygienists.
- Grew adult clear aligner starts from 4 to 19 per month after rebuilding the case-presentation script.
- Reduced no-show rate from roughly 14% to 6% by moving confirmations to two-way text and shifting block scheduling.
- Mentor a new associate on molar endo and full-arch impressions, including weekly case reviews.
- Coordinate with two specialists on referral pathways for implant placement and complex perio cases.

Associate Dentist, Cardinal Smile Partners, Cary, NC
2017 – 2020

- Carried a daily schedule of 18-24 patients across operative, hygiene checks, and limited exams.
- Built a steady aligner book of about 60 active cases by end of year two.
- Took the lead on emergency walk-ins, handling extractions and pulpotomies same-day when possible.
- Completed CEREC training and began offering same-day single-unit crowns within the first six months.

Dental Resident (GPR), Wake County Health Services, Raleigh, NC
2016 – 2017

- Rotated through hospital dentistry, oral surgery, and a Medicaid-funded community clinic.
- Saw approximately 1,400 patient visits over the residency year, including OR cases under general anesthesia.
- Presented monthly case reviews on management of medically complex patients.

Education

DMD, University of Pennsylvania School of Dental Medicine, 2016

BS in Biology, University of North Carolina at Chapel Hill, 2012

NC Dental License #DDS-18742 | DEA registered
