

PRIYA RAMANATHAN

Entry Level Financial Analyst

Recent finance graduate with two FP&A internships and hands-on work building three-statement models in Excel. Comfortable cleaning messy data, owning recurring variance reports, and presenting findings to managers twice my age without freezing up.

EDUCATION

- B.S. Business Administration, Concentration in Finance, North Carolina State University, May 2024
- GPA: 3.71/4.00; Minor in Statistics
- Bloomberg Market Concepts (BMC) Certificate, 2023

KEY SKILLS

- Excel (INDEX/MATCH, XLOOKUP, pivot tables, what-if scenarios)
- Three-statement modeling and DCF valuation
- Power BI and Tableau
- SQL (basic SELECT, JOIN, GROUP BY)
- Variance and budget-to-actual analysis
- SAP S/4HANA (intern exposure)
- PowerPoint board-deck formatting
- Written and verbal communication with non-finance partners

PROFESSIONAL EXPERIENCE

Financial Analyst Intern | Bluefield Pharma Holdings, Raleigh, NC
Jun 2024 - Aug 2024

- Built the FP&A team's monthly opex variance pack for three R&D cost centers, cutting prep time from roughly 6 hours to under 90 minutes.
- Caught a duplicate vendor accrual that overstated Q2 lab supplies by \$47,300; flagged it to the controller before close.
- Rebuilt a headcount forecast in Excel using INDEX/MATCH lookups against the HRIS export, replacing a brittle file the previous intern left behind.
- Presented findings on contractor spend trends to the VP of Finance during the August leadership review.

Treasury Operations Intern | Carolina Mutual Credit Union, Durham, NC
Jan 2024 - May 2024

- Reconciled daily cash positioning across 4 operating accounts and a sweep account, escalating any variance over \$5,000 to the treasury manager.
- Drafted a one-page liquidity dashboard in Power BI that the CFO now reviews each Monday morning.
- Shadowed the ALM team during quarterly IRR sensitivity modeling and documented the assumption changes for the audit binder.

Peer Tutor, Finance and Accounting | NC State Poole College of Management, Raleigh, NC
Aug 2023 - May 2024

- Tutored about 30 students per semester through intermediate accounting and corporate finance coursework.
- Wrote practice problems on DCF mechanics and WACC that the department still uses as review material.
- Held weekly drop-in hours and kept a 4.8/5 average on student feedback surveys.
