

JD

Jennifer Davis

ICU Nurse

CCRN-certified ICU nurse with 6 years caring for adult medical-surgical and cardiac critical care patients. Comfortable managing ventilators, CRRT, vasoactive drips, and post-op CABG recoveries on a 2:1 assignment. Known for steady handoffs, calm family communication during codes, and precepting new hires through their first independent shifts.

PROFESSIONAL EXPERIENCE

ICU STAFF NURSE, CARDIOTHORACIC ICU | BAYSHORE REGIONAL
MEDICAL CENTER, TAMPA, FL

2021 – PRESENT

- Carry 2:1 assignments in a 24-bed CTICU, managing fresh post-op CABG, valve, and ECMO patients through extubation and step-down transfer.
- Titrate up to 4 simultaneous vasoactive drips during open-chest recoveries; held 0 medication errors across 312 charted shifts in the last 18 months.
- Precept new graduate RNs through 14-week orientation; 6 of 7 recent orientees passed independent practice on first attempt.
- Co-chair the unit Skin Integrity committee, helping cut Stage 2+ HAIs on the unit by roughly a third year-over-year.
- Trusted Rapid Response responder; run code documentation and family liaison role during arrests.

MEDICAL ICU NURSE | ST. VINCENT HEALTH PARTNERS, GAINESVILLE, FL
2019 – 2021

- Cared for septic shock, DKA, GI bleed, and respiratory failure patients in a 16-bed MICU.
- Managed CRRT initiation and troubleshooting; served as unit super-user during Prismaflex rollout.
- Helped pilot an ABCDEF bundle audit that lifted spontaneous awakening trial compliance from about 60% to above 90% in two quarters.
- Mentored senior nursing students on practicum rotations and wrote recommendation letters for 4 hires who joined the unit.
