PROFESSIONAL EXPERIENCE

Delivery Driver | Coronado Pies Pizzeria, Tucson, AZ 2022 - Present

- Run 35-45 deliveries per Friday/Saturday shift across a 4-mile radius covering University of Arizona dorms, Sam Hughes, and downtown lofts.
- Maintain 97% on-time delivery rate measured by store POS, against a store target of 90%.
- Average \$187 in tips per weekend shift by upselling 2-liter sodas at the door and remembering repeat customer orders.
- Trained 4 new drivers on route batching using the store map and Google Maps, cutting their first-week mileage by roughly a third.
- Cover prep station between rushes: roll dough balls, stock the cut table, and run dishes when the closer is buried.

Delivery Driver | Sonoran Slice Co., Tucson, AZ 2020 - 2022

- Delivered 60-80 orders per week using personal vehicle, logged mileage in store sheet for reimbursement.
- Resolved 12+ wrong-order complaints by re-running corrected pies on my own time, keeping store rating above 4.6 on Google.
- Handled cash drops up to \$400 per shift with zero till discrepancies across two years.
