KEY SKILLS

- RF scanning and WMS (HighJump)
- Forklift train-the-trainer
- Daily KPI reporting
- Receiving and putaway flow
- Shift scheduling
- Safety huddles and JSAs
- Cycle counting
- New hire onboarding

PROFESSIONAL EXPERIENCE

Warehouse Manager | Kestrel Auto Parts Supply, Greenville, SC |

2023 – Present

- Oversee 140,000 sq ft DC with 38 associates serving 92 dealer accounts in the Southeast.
- Hit pick accuracy of 99.1% in Q2 after rewriting the QC audit rotation.
- Trimmed overtime spend by about 22% by rebuilding the weekly labor plan around forecasted order volume.
- Run weekly safety huddles; no recordable incidents in the last 9 months.

Shift Supervisor | Kestrel Auto Parts Supply, Greenville, SC |

2020 – 2023

- Led second shift of 18 associates through receiving, putaway, and outbound.
- Trained 11 new hires on RF scanning and forklift certification.
- Caught a recurring mis-pick pattern that traced back to a slotting error; fixed map cut customer complaints noticeably.
