

MAYA LINDGREN

CPA

Senior CPA with six years split between Big 4 audit and a private equity-backed medtech company. Lead workstreams independently, write the technical memos, and have walked auditors through enough revenue testing to know where they will push back.

PROFESSIONAL EXPERIENCE

SENIOR ACCOUNTANT, TECHNICAL ACCOUNTING | NORTHBEAM MEDTECH HOLDINGS, MINNEAPOLIS, MN
2022 – PRESENT

- Lead technical accounting reviews for acquisitions, lease modifications, and revenue contracts; authored 14 position memos in 2024 with no audit pushback.
- Manage the company's ASC 842 lease portfolio (76 active leases, \$23.4M ROU asset) in LeaseQuery, including remeasurements and impairment indicators.
- Own the quarterly goodwill impairment analysis for two reporting units and present results to the controller and external auditors.
- Partnered with FP&A on purchase accounting for a \$31M tuck-in acquisition, including opening balance sheet and valuation tie-outs.
- Mentor two staff accountants on close tasks and review their reconciliations before they hit the controller.

AUDIT SENIOR | CALDER VOSS LLP, MINNEAPOLIS, MN
2019 – 2022

- Led in-charge senior role on 6 public and private audit engagements per year in life sciences and medtech (\$40M to \$400M revenue).
- Reviewed staff workpapers across revenue, inventory, and stock comp; trained 4 first-year staff each busy season.
- Drafted SAS 115 and SOC 1 control memos and presented preliminary findings to audit committee in two engagements.
- Identified an under-accrued royalty liability of approximately \$1.1M at a public client during analytical review.
