

DANIEL OKOYE

Certified Public Accountant Cpa

Staff accountant with two busy seasons of public accounting audit experience and an active CPA license issued in Ohio (2024). Strongest in workpaper prep, cash and AR testing, and asking the second question instead of just the first.

KEY SKILLS

- GAAP audit procedures
- Workpaper documentation (CaseWare)
- Confirmations and sampling
- Excel pivot tables and VLOOKUP/XLOOKUP
- QuickBooks Online, Sage 50
- Fixed asset and accruals testing
- Client communication during fieldwork
- Time tracking across concurrent engagements

PROFESSIONAL EXPERIENCE

2022 - Present

Audit Staff II | Keenan Marsh & Associates LLP, Columbus, OH

- Performed substantive testing and walkthroughs on 9 audit engagements last year, including a \$48M regional credit union and three ESOP-owned manufacturers.
- Built lead schedules and tie-outs for cash, AR, fixed assets, and accrued payroll; cleared review notes from seniors with under 5% rework on the last three engagements.
- Drafted confirmation packets for 200+ AR and bank confirms and tracked response rates weekly during fieldwork.
- Helped a client clean up a stale fixed asset subledger that had not been reconciled to the GL in over two years.

EDUCATION

B.S. Accounting, The Ohio State University, 2022

150-hour requirement met via additional coursework in tax and data analytics

CPA, Ohio (License #CPA-038214), 2024
