- Metal stud framing
- Concrete forms, rebar, finishing
- Cabinet and trim install
- Blueprint reading and layout
- Scissor and boom lift operation
- Punch list and quality control
- OSHA 30
- Bilingual: English/Spanish (conversational)

PROFESSIONAL EXPERIENCE

Carpenter

Granite Ridge Construction, Asheville, NC | 2021 - Present

- Build custom decks, additions, and full kitchen remodels on homes valued between \$450K and \$1.2M
- Hang and finish drywall, set cabinets, and run base, case, and crown to a finish-grade standard
- Complete punch lists averaging 22 items per project with first-walk sign-off from the PM
- Coordinate daily with electricians and plumbers to keep rough-in inspections on schedule
- Train one or two helpers per project on tool safety and finish work

Construction Worker

Blue Ridge Commercial Group, Hendersonville, NC | 2019 - 2021

- Framed metal stud partitions and installed acoustic ceilings on tenant build-outs
- Set concrete forms, tied rebar, and finished sidewalks and ramps for ADA compliance
- Operated scissor lifts and boom lifts up to 60 ft for overhead MEP rough-in support
- Helped close out a 32,000 sq ft medical office on schedule with no safety incidents

Apprentice Carpenter

Sawmill Trade Co., Weaverville, NC | 2018 - 2019

- Assisted framing crews on new single-family construction in a 60-home subdivision
- Learned wall layout, header sizing, and roof framing under a journeyman
- Completed OSHA 30 and earned a fall protection competent person card

EDUCATION

Carpentry Apprenticeship, Asheville-Buncombe Technical Community College, 2019

OSHA 30, Fall Protection Competent Person, 2020

High School Diploma, Erwin High School, Asheville, NC, 2017
