Key Skills

- Floor care (strip, wax, buff, burnish)
- Auto-scrubber and carpet extractor operation
- Restroom sanitation and restocking
- Chemical dilution and SDS handling
- Trash and recycling removal
- Biohazard and bloodborne pathogen cleanup
- Window and glass cleaning
- Time management on solo routes
- Basic Spanish (conversational)

Professional Experience

LEAD JANITOR | BRIGHTLINE FACILITY SERVICES, TULSA, OK 2021 – PRESENT

- Clean and sanitize a 42,000 sq ft corporate office nightly, covering 12 restrooms, 3 breakrooms, and 80+ workstations in a 6-hour shift
- Train new hires on chemical dilution, color-coded microfiber system, and lockout procedures for floor machines
- Operate auto-scrubber, propane buffer, and 20-inch low-speed buffer for VCT strip-and-wax projects on weekends
- Cut chemical reorder costs by switching to a concentrate dispenser, saving the account about \$3,400 a year
- Log all biohazard cleanups and restock requests in the client portal before end of shift

JANITOR | HEARTLAND BUILDING MAINTENANCE, TULSA, OK 2018 – 2021

- Serviced a route of 4 medical clinics, handling exam rooms, lobbies, and restrooms per CDC cleaning standards
- Stripped and waxed roughly 8,000 sq ft of tile each quarter with no callbacks from the property manager
- Responded to spill and biohazard calls within 15 minutes during shift
- Restocked paper, soap, and liners; submitted weekly supply orders to keep inventory under budget
