

MARISOL AGUILAR

Tutor

Math and SAT tutor with six years of one-on-one and small-group instruction across grades 6-12. Track record of raising student scores and confidence through targeted diagnostics, weekly practice plans, and steady parent communication. Comfortable with both in-person sessions and Zoom whiteboard tools.

PROFESSIONAL EXPERIENCE

Lead Math Tutor | 2021 - Present
Bayside Learning Studio, Providence, RI

- Manage a roster of 24 students per term covering pre-algebra through AP Calculus, with 92% returning for a second semester
- Raised average student SAT Math score by 118 points across the 2023 cohort using a 10-week diagnostic-driven curriculum
- Built a shared library of practice sets and recorded mini-lessons that other tutors now reuse
- Run weekly parent check-ins by text and email so families see what was covered and what to practice

Private Tutor (Self-Employed) | 2019 - Present
Aguilar Tutoring, Providence, RI

- Tutor 8-12 students per week in algebra, geometry, and ISEE prep at \$65/hour, mostly word-of-mouth referrals
- Helped a rising 7th grader move from a C- to an A- in honors math over one school year
- Created individual study plans tied to each student's quiz returns and teacher feedback
- Maintain a 4.9-star average across 70+ Wyzant and Google reviews

Tutor and Homework Aide | 2018 - 2021
Mt. Hope Community Center, Providence, RI

- Supported 15-20 elementary and middle school students per afternoon with reading and math homework
- Designed Friday math-game sessions that pulled attendance from 9 students to 22 in two months
- Trained 4 new volunteer tutors on the center's reading log and behavior expectations
