PROFESSIONAL EXPERIENCE

AEMT, FIELD TRAINING OFFICER | MESA RIDGE FIRE AND RESCUE, ALBUQUERQUE, NM
2021 – PRESENT

- Run primary on a dual-medic engine company averaging 11 calls per 24-hour shift.
- Maintained an IV first-stick success rate of 91% across 540 documented attempts in 2023.
- Precept 6 to 8 new EMTs per year through a 200-hour ride-along curriculum and final skills check-off.
- Administer naloxone, glucagon, and nebulized albuterol under county protocols, with no medication errors logged in three years.
- Lead monthly station-level training on pediatric assessment and BVM technique.

EMT-BASIC | RIO GRANDE AMBULANCE, SANTA FE, NM
2019 – 2021

- Ran 911 BLS truck across a 220 square mile rural-suburban response area.
- Pulled extra shifts during a regional wildfire surge, covering 14 unplanned 12-hour blocks over six weeks.
- Trained as a behavioral health response team member after agency partnership with county crisis services.
- Wrote PCRs averaging 38 minutes from clear to chart submitted, beating the agency target of 60.

EDUCATION

- Advanced EMT Certificate, Central New Mexico Community College, 2021
- EMT-Basic Certificate, Central New Mexico Community College, 2019
- AHA BLS, ACLS, and PALS providers
