Professional Experience

FIRST OFFICER, CRJ-700 | PIEDMONT CROSSING AIR, CHARLOTTE, NC 2022 – PRESENT

- Fly 75-85 hours per month across CLT, LGA, DCA, and BOS with a captain-rated performance score of 4.7 of 5.
- Submitted 11 ASAP reports in first 18 months, three of which led to procedural updates in the company FOM.
- Completed initial Cat II ILS qualification and irregular ops training without retraining events.
- Picked up 22 open-time trips in the first year to build right-seat turbine experience.

FLIGHT INSTRUCTOR (CFI/CFII) | TARHEEL AVIATION CENTER, RALEIGH, NC 2020 – 2022

- Logged 980 dual-given hours in Cessna 172 and Piper Archer aircraft under Part 61 and Part 141.
- Sent 14 private pilot students to checkride with a 100% first-attempt pass rate.
- Ran weekend ground schools of 8-12 students covering FAR/AIM and weather theory.
- Maintained training aircraft squawk logs and coordinated with maintenance on 30+ discrepancies.
