KEY SKILLS

- Adobe Premiere Pro
- CapCut
- Adobe Audition
- Basic After Effects
- Captions and subtitles
- Multi-cam syncing
- Frame.io
- Vertical and square social formats
- File organization and labeling

PROFESSIONAL EXPERIENCE

Junior Video Editor | Brightleaf Media Group, Raleigh, NC

2023 - Present

- Edit 12 to 18 short-form videos per week for client TikTok, Reels, and YouTube Shorts channels.
- Cut a recurring weekly podcast clip series that grew the client's combined social following from 24K to 71K in eight months.
- Sync multi-cam podcast footage, clean up audio in Audition, and add captions and animated text in Premiere.
- Organize raw footage and label clips so other editors on the team can pick up projects without losing time.

Freelance Video Editor | Self-employed, Raleigh, NC

2022 - 2023

- Edited wedding highlight reels, small business promos, and YouTube vlogs for 18 repeat clients.
- Delivered finished videos within 5 business days using a Premiere template I built for color and titles.
- Handled client revisions through Frame.io, keeping average rounds of notes to two per project.

EDUCATION

B.A. in Media Production, North Carolina State University, 2022
