### EDUCATION

Ohio Private Investigator and Security Services Commission License (active)

OPOTA Armed Security Certification (current)

Ohio CCW Permit (renewed 2024)

Some College, Cuyahoga Community College (Criminal Justice coursework)

### KEY SKILLS

- Armed post procedures
- Magnetometer and X-ray screening
- Weapon retention and qualification
- Vault and dual-control procedures
- Silent alarm response
- Incident and use-of-force reporting
- Radio dispatch protocol
- Fire and life safety systems
- De-escalation

### PROFESSIONAL EXPERIENCE

Armed Security Officer | Ironclad Federal Protection, Cleveland, OH, 2021 – Present

- Cover armed post at a federal courthouse annex, screening visitors through magnetometer and X-ray
- Catch and resolve roughly 30 prohibited-item findings per month without escalation to USMS
- Run daily weapon function checks and log them in the duty book before relieving the prior shift
- Pulled into special assignments for judge transport and after-hours sweeps about twice a month
- Mentor 2 new officers on screening protocols and visitor procedures

Security Officer | Lakefront Trust Bank, Cleveland, OH, 2019 – 2021

- Worked branch lobby post during open hours and vault transfer escorts on Tuesdays and Fridays
- Handled 4 silent alarm activations during tenure with no injuries and full FBI cooperation
- Verified armored car deliveries against manifest and counter-signed all dual-control logs
- Built rapport with branch staff and regulars, cutting customer complaints about lobby tone

Security Officer | Northshore Industrial Park (Vantage Guard Co.), Lorain, OH, 2018 – 2019

- Roving patrol across 4 tenant warehouses during overnight shift
- Logged 11 unsecured-door findings in first quarter, leading to a tenant audit and lock upgrade
- Responded to fire panel trouble signals and coordinated with Lorain FD on 2 actual events
