

Brenda Mitchell

Dentist

(480) 555-0188 • Tempe, AZ 12345 • marcus.whitfield@example.com

New-grad general dentist (Class of 2023) with strong operative speed and a growing comfort with molar endo. Looking to keep building under a mentor associate model while taking on aligner and implant restoration cases.

PROFESSIONAL EXPERIENCE

Associate Dentist, Saguaro Dental Group, Tempe, AZ	2023 – Present
- Carry a daily column of 14-18 patients across operative, exams, and limited emergencies. - Produced about \$48,000 per month by month nine, up from \$22,000 in month two. - Completed 30+ molar endo cases under mentor oversight in the first year. - Started 22 Invisalign cases after finishing the certification course in early 2024.	
Dental Student Extern, Maricopa Community Dental Clinic, Phoenix, AZ	2022 – 2023
- Treated underserved adult patients during a 10-week rotation, including extractions and direct restorations. - Assisted faculty on full-arch denture cases from impressions through delivery. - Logged 240 clinical hours and presented three cases at student grand rounds.
