- Permit pulling and inspection coordination
- Apprentice training and crew leadership
- NC plumbing code compliance

Professional Experience

LEAD JOURNEYMAN PLUMBER | CARDINAL PIPE & MECHANICAL, RALEIGH, NC 2021 - PRESENT

- Run rough-in and trim crews on 40 to 60 unit apartment builds, pacing 8 to 10 units per week with one helper.
- Cut callbacks to under 3% on a 312 unit project by adding a pre-cover photo log of every wall.
- Trained 4 apprentices through their first year on copper sweating, PEX expansion, and proper hanger spacing.
- Coordinate directly with HVAC and electrical foremen to keep ceiling chases on schedule.
- Pulled permits and walked inspectors through final on tankless water heater and gas line work.

JOURNEYMAN PLUMBER | BROOKHAVEN PLUMBING SERVICES, DURHAM, NC 2017 - 2021

- Handled 6 to 8 residential service calls per day covering drain cleaning, water heater swaps, and fixture replacements.
- Ran sewer cameras and located breaks for trenchless repair quotes averaging \$4,800 per job.
- Maintained a 4.9 star average across 180+ Google reviews tied to my service van.
- Backed up the on-call rotation one weekend per month for burst lines and frozen pipe calls.

APPRENTICE PLUMBER | BROOKHAVEN PLUMBING SERVICES, DURHAM, NC 2015 - 2017

- Completed 8,000 hours of supervised work toward Journeyman license.
- Assisted on rough-in for custom homes ranging from 2,200 to 5,500 square feet.
- Kept truck stock organized and reduced parts return trips by keeping a digital count sheet.

Education

- NC Journeyman Plumber License (P-I), North Carolina State Board of Examiners of Plumbing, Heating and Fire Sprinkler Contractors, 2017
- Plumbing Apprenticeship Program, Wake Technical Community College, Raleigh, NC, 2015-2017
- OSHA 30-Hour Construction Safety Certification, 2020

- Backflow Prevention Assembly Tester Certification, ASSE 5110, 2019
- High School Diploma, Athens Drive High School, Raleigh, NC, 2014
