Professional Experience

THIRD GRADE TEACHER | RIVERBEND CHARTER SCHOOL, MILWAUKEE, WI 2022 - PRESENT

- Teach all core subjects to a class of 26 students; 78% met or exceeded state standards on the 2023-24 Forward Exam, up from 61% the prior year.
- Redesigned the morning math block around number talks and small-group rotations after a summer Cognitively Guided Instruction workshop.
- Host a student teacher each spring from Marquette University; two of three former mentees were hired into the district.
- Lead the third-grade PLC, including weekly data huddles and quarterly assessment calibration sessions.
- Translate parent communication into Spanish for grade-level newsletters and IEP meetings.

FIRST GRADE TEACHER | LINDEN GROVE ELEMENTARY, MADISON, WI 2020 - 2022

- Looped with a class from kindergarten to first grade, growing 19 of 22 students to grade-level reading by spring of first grade.
- Built a phonics intervention block using UFLI Foundations; later trained two K-1 teammates on the routine.
- Coordinated the building's Hour of Code week for 380 K-2 students with the tech specialist.
- Served on the equity team that rewrote the school's discipline matrix in 2021.

KINDERGARTEN TEACHER | LINDEN GROVE ELEMENTARY, MADISON, WI 2019 - 2020

- Launched the year as a first-year teacher with a class of 21, finishing with 100% of students meeting fall kindergarten readiness benchmarks for first grade.
- Built classroom routines from scratch and adapted them to remote learning in March 2020.
- Recorded daily 10-minute read-aloud videos that the principal shared school-wide during school closures.
