KEY SKILLS

- Stocking and shelf recovery
- Planogram reading
- Date code rotation (FIFO)
- Handheld scanner use
- Price tag and signage changes
- Display setup
- Reliable transportation
- Available weekends and early mornings

PROFESSIONAL EXPERIENCE

STOCK ASSOCIATE | FRESHMARK GROCERY, AKRON, OH 2023 – PRESENT

- Stock dairy and frozen sections during overnight shifts, rotating product by date code on every visit.
- Help reset 3 to 4 aisles per quarter using printed planograms supplied by the category manager.
- Pull damaged and expired product, averaging about 12 cases per shift logged in the handheld scanner.
- Cover the floor for price changes on Tuesday mornings and replace shelf tags before doors open at 7 a.m.

CASHIER AND FLOOR HELPER | NORTHER DRUG MART, CUYAHOGA FALLS, OH 2022 – 2023

- Worked register and recovered HBA and seasonal aisles during slow periods.
- Built front-of-store candy displays for Halloween and Valentine's Day under store manager direction.
- Trained 2 new hires on stocking procedures and the back-room sorting system.

EDUCATION

- High School Diploma, Firestone Community Learning Center, 2023 |
