- Manuscript writing

PROFESSIONAL EXPERIENCE

SENIOR RESIDENT, INTERNAL MEDICINE (PGY-3) | SANDIA MESA UNIVERSITY MEDICAL CENTER, ALBUQUERQUE, NM 2024 – PRESENT

- Lead 4-person teaching teams on general medicine, supervising 1 PGY-1 and 1-2 medical students with attending oversight.
- Cut average team rounding time by about 40 minutes after introducing a pre-round huddle and structured patient list template.
- Cover MICU calls and step-down nights, managing vasopressor titration, non-invasive ventilation, and goals-of-care conversations.
- Selected as chief-track resident; help build the noon conference schedule and recruit speakers for journal club.
- Precept 3rd-year medical students on sub-internship, providing weekly written feedback and end-of-rotation evaluations.

INTERNAL MEDICINE RESIDENT (PGY-1 TO PGY-2) | SANDIA MESA UNIVERSITY MEDICAL CENTER, ALBUQUERQUE, NM 2022 – 2024

- Rotated through cardiology, oncology, infectious disease, geriatrics, and emergency medicine across 24 months.
- Logged 180+ bedside procedures including central lines, thoracenteses, and intubations during MICU blocks.
- Presented QI poster on reducing inappropriate telemetry orders at the regional ACP chapter meeting, 2023.
- Volunteered monthly at the resident-run free clinic in the South Valley, primarily managing diabetes and hypertension.
