

Scott Evans

Professional Painter

(916) 555-0142 · Sacramento, CA 12345 · marcus.trevino@example.com

Journeyman painter with 9 years across residential repaints, new construction, and light commercial. Lead crews of 3 to 6 on interior and exterior projects, specializing in cabinet refinishing, spray application, and color matching. Known for clean lines, low callbacks, and finishing on schedule.

Professional Experience

Lead Painter | Riverbend Coatings & Finishes, Sacramento, CA
2020 – Present

- Run 2 to 3 simultaneous repaint jobs averaging \$18,400 per project, hitting punch list sign-off on first walkthrough about 9 times out of 10
- Spec primer and topcoat systems for stucco, T1-11, and Hardie siding using Sherwin-Williams Emerald and Duration product lines
- Trained 4 apprentices on cut-in technique, masking sequence, and HVLP sprayer setup
- Cut material waste by switching to airless tip charts and bulk 5-gallon orders on repeat color codes
- Handle customer walkthroughs and change orders without involving the owner on most jobs

Painter | Capital Valley Painting, Sacramento, CA
2017 – 2020

- Sprayed and back-rolled exteriors on tract homes for a 38-unit subdivision over 7 months
- Refinished kitchen cabinets using lacquer and waterborne enamel, completing roughly 14 kitchens per year
- Repaired drywall, patched stucco cracks, and caulked trim before paint to reduce callbacks
- Maintained sprayers, pressure washers, and ladders; logged repairs in shop binder

Apprentice Painter | Foothill Brush & Roller, Roseville, CA
2015 – 2017

- Prepped surfaces, set up containment, and rolled second coats under journeyman supervision
- Mixed colors from fan decks and tinted on-site for touch-ups on 60-plus jobs
- Earned EPA RRP certification in first year to support pre-1978 home work

Education

Painter Apprenticeship Program, Sacramento Regional Builders Exchange, 2017

High School Diploma, Roseville High School, 2014
