KEY SKILLS

- AutoCAD
- SketchUp
- Enscape
- Adobe InDesign and Photoshop
- Revit (working knowledge)
- FF&E schedules
- Finish and material sourcing
- Hand sketching
- Excel
- Client presentation boards

PROFESSIONAL EXPERIENCE

Junior Interior Designer | Foxglove Studio, Minneapolis, MN, 2023 – Present

- Produce CAD drawing sets and 3D models for 8 to 10 active residential projects under the senior designer's direction
- Manage the material library and log roughly 60 new vendor samples each month
- Built FF&E schedules in Excel for three full-home installations averaging \$95K in furnishings
- Sit in on client check-ins and turn around revised renderings within two days

Design Intern | Northvale Interiors, St. Paul, MN, Summer 2022

- Assisted on five residential projects from schematic design through purchasing
- Created presentation boards in InDesign for client meetings
- Organized the finish library and tagged 400+ samples by category
