

RH

Ronald Hill

Graduate School

Public policy analyst with three years of quantitative work at a state agency and a city nonprofit, applying to two-year policy programs for Fall 2025. Published a housing brief cited by the Michigan House Housing Committee. Comfortable with Stata, R, and stakeholder-facing writing.

PROFESSIONAL EXPERIENCE

Policy Analyst I Jul 2022 - Present

Michigan State Housing Development Authority, Lansing, MI

- Built a Stata pipeline that merges federal housing affordability data with state rental assistance records covering roughly 138,000 households, cutting a monthly report from three days to a half day.
- Co-authored a brief on eviction filings in mid-size Michigan cities that was cited in written testimony to the House Housing Committee (Mar 2024).
- Presented findings to program directors and two deputy directors; incorporated feedback into a second-round revision released the following quarter.
- Mentored a summer undergraduate fellow on data cleaning workflow and code review.

Research Fellow I Aug 2021 - Jun 2022

Ann Arbor Housing Coalition, Ann Arbor, MI

- Interviewed 34 tenants and 9 landlords for a mixed-methods study on rent stabilization awareness in Washtenaw County.
- Coded qualitative interview data in Dedoose and helped draft the final report, which the coalition distributed to city council staff.
- Ran a public data-cleaning workshop for volunteer canvassers, teaching basic Google Sheets and Airtable use.

Senior Thesis Researcher I Sep 2020 - Apr 2021

University of Michigan, Ford School Undergraduate Program, Ann Arbor, MI

- Wrote a 62-page thesis on inclusionary zoning outcomes in three Midwestern cities using difference-in-differences in R.
- Presented at the Ford School Undergraduate Research Symposium.
- Received the Ford School Outstanding Thesis award in the policy analysis track.
