Edward Green

Stay At Home Mom

Returning to bedside work after seven years at home raising three children. Maintained clinical thinking through hospice volunteer visits and school health-room coverage, and completed refresher coursework in 2024. Looking for a med-surg or ambulatory role that values careful handoffs and patient teaching.

KEY SKILLS

- Med-surg and post-op nursing
- Patient and family education
- Epic charting (prior use)
- Medication reconciliation
- IV starts and blood draws
- Structured shift handoff communication
- Conversational medical Spanish
- Care coordination across providers
- Preceptor and new-hire mentoring
- BLS certified

PROFESSIONAL EXPERIENCE

PRIMARY CAREGIVER AND HOUSEHOLD MANAGER | AT HOME, FORT COLLINS, CO
2017 – PRESENT

- Managed care coordination for three children including one with a peanut allergy and one receiving special education services, tracking appointments across four specialists and two school districts.
- Ran the household budget on a single income, cutting monthly grocery spend by about $380 through meal planning and Costco batching.
- Learned Spanish alongside my oldest through a two-year immersion program, now conversational in medical settings.
- Kept emergency response training current every two years without a lapse.

HOSPICE VOLUNTEER | FRONT RANGE HOSPICE CARE, FORT COLLINS, CO
2022 – PRESENT

- Visit two to three patients weekly in their homes and in a residential facility, providing companionship and respite for family caregivers.
- Complete visit notes in the volunteer portal and flag changes in patient condition to the assigned RN case manager.
- Completed the agency's 24-hour volunteer training including grief support and infection control.
- Recognized as Volunteer of the Quarter in fall 2023 for consistent attendance and family feedback.

BEDSIDE NURSE, MEDICAL-SURGICAL UNIT | WILLOW GROVE REGIONAL HOSPITAL, DENVER, CO
2013 – 2017

- Cared for a five to six patient assignment on a 32-bed post-surgical unit, including fresh post-ops, telemetry, and diabetes management.
- Precepted new graduate nurses on charting, med pass, and end-of-shift handoff for three consecutive orientation cohorts.
- Served on the unit's falls-reduction committee and helped roll out hourly rounding scripts.
- Consistently rated in the top tier for patient satisfaction on discharge surveys.
- Charge nurse rotation on night shift during the last 18 months.

EDUCATION

- B.S.N., Colorado State University, 2013
- RN Refresher Course (didactic and clinical), Front Range Community College, 2024
- Colorado RN license, active and in good standing; BLS through the American Heart Association
