Professional Experience

DIRECTOR OF OUTPATIENT PSYCHOLOGY | BAYVIEW HEALTH SYSTEM, PROVIDENCE, RI

2017 - PRESENT

- Lead a department of 14 psychologists, 3 postdoctoral fellows, and 5 support staff across two clinic locations.
- Rolled out measurement-based care using standard depression, anxiety, and trauma symptom scales across all clinicians, reaching 92 percent completion at intake within the first year.
- Grew annual outpatient revenue by roughly $1.8M through payer renegotiation and adding two group therapy tracks.
- Reduced clinician turnover from 18 percent to 7 percent by restructuring caseload targets and adding a peer consultation hour.
- Serve as APA-accredited internship training director for a class of 4 interns per year.

ASSOCIATE PROFESSOR OF PSYCHIATRY (CLINICAL) | OCEAN STATE UNIVERSITY SCHOOL OF MEDICINE, PROVIDENCE, RI

2012 - PRESENT

- Teach the second-year psychiatry residents' psychotherapy seminar covering cognitive, interpersonal, and supportive therapy modules.
- Chair the departmental committee reviewing supervision quality across 30+ supervising faculty.
- Mentor 3 to 5 junior faculty per year on grant applications and clinical portfolio development.
- Author or co-author 40+ peer-reviewed publications in mood disorders and therapy outcomes.

STAFF PSYCHOLOGIST AND ASSESSMENT LEAD | MERIDIAN BEHAVIORAL GROUP, CAMBRIDGE, MA

2008 - 2017

- Built the group's adult assessment service from 2 to 11 evaluations per week over five years.
- Developed and taught internal training on differential diagnosis of attention, bipolar spectrum, and personality disorders.
- Served as clinical lead on the group's transition to an EHR (Valant), including template design and staff training.
- Represented the practice in a payer network negotiation that raised per-hour assessment reimbursement by 24 percent.

POSTDOCTORAL FELLOW AND EARLY-CAREER PSYCHOLOGIST | CHARTER HILL PSYCHIATRIC INSTITUTE, NEW HAVEN, CT

2003 - 2008

- Completed a two-year fellowship in mood disorders followed by three years as staff psychologist on the inpatient unit.
- Provided crisis assessment and short-term stabilization therapy for adults admitted for suicidality.
- Co-authored the unit's revised safety planning protocol adopted across three affiliated hospitals.
- Supervised interns and practicum students rotating through the inpatient service.

Education

- Ph.D., Clinical Psychology, Yale University, 2003
- M.S., Clinical Psychology, Yale University, 2000
- B.A., Psychology and Philosophy, Amherst College, 1998
